

Faith Connection Story – St. John’s, Lewisburg

“Filling Up Buckets”

In April, St. John’s United Church of Christ in Lewisburg, PA set a goal to fill up 10 clean up buckets for Church World Services. Thanks to the generosity of the members, they were able to fill up 20 buckets! The buckets were dedicated at the worship service Sunday, May 29.

CWS Emergency Clean Up Buckets provide assistance to families and communities affected by flooding, tornados and other disasters.
