

WHAT'S YOUR STORY?

This year's mission project is 3 Great Loves!

**Love of Neighbor
Love of Creation
Love of Children**

Showing God's love is a vital sign for a healthy church. We want to collect and lift up the stories of Penn Central Conference churches. Please tell us about the knitting clubs, the food pantries, the community meals, protests, letter writing campaigns and anything else your church or organization may be doing to create a just world for all.

NOTHING IS TOO SMALL. Please send your church's stories and pictures to [Stephanie](#).

Thank you... the work that you are already doing is significant and greatly needed.
