Dear Friends of United Church of Christ Homes:

On behalf of the Board of Directors, staff and residents of United Church of Christ Homes, I send greetings as you gather together as the pastors, delegates, visitors and guests for the 57th Penn Central Conference Annual Meeting.

UCC Homes strives to provide communities where older adults can access health and supportive services of their choosing to meet their needs while preserving dignity and independence. We are constantly working to improve the resident experience by investing in people, training, technology, renovations and refurbishments. These investments allow us to improve care and quality outcomes and deliver care more efficiently and effectively across our communities.

We are blessed to have a strong and engaged Board of Directors. They spend volunteer hours to lead and govern, working selflessly to ensure that our organization remains vitally relevant in a rapidly changing world with a growing senior population. Dedicated employees, many who are long tenured, use their experience and knowledge to provide quality care to residents and recognize the value and dignity of every person.

UCC Homes exists and continues to grow because of our partners in mission...the members of our sponsoring UCC congregations, our Auxiliary, numerous volunteers and donors. We gratefully acknowledge our faithful friends whose generous contributions, both of time and financial support, sustain the life-changing work of our ministry.

We look towards a future where we can continue to serve with intention and we pray that you continue to walk with us on our journey.

Sincerely yours,

Stephen D. Horvath
President/CEO
