

# Welcome to our New Board Member!

## (June 2019)

**Michael H. Gibbs** (Class of 2022, York Association)

Now retired, Mike Gibbs was a teacher, school administrator and educational consultant. He has served on Penn Central Conference's Congregational Vitality Team, York Association's Committee on Ministry, York Association's Executive Council and spent 12 years on Consistory (5 years as President) at St. John's UCC, Red Lion.

Some of Mike's strengths include organizational strategic planning and institutional leadership. He has a firm grasp on mission, vision and goals of organizations and believes that all decisions within the organization must be consistent with these three pillars.

We look forward to having Mike use his gifts serving on the Finance Committee of the Board. He is a member at Mt. Zion UCC, York.
