

# Welcome to our New Board Member! (June 2019)

**Rev. Thomas W. Caruso** (Class of 2022, Harrisburg Association)

Rev. Thomas Caruso has diverse experience in journalism, corporate management, university teaching, seminary studies and chaplain training before going to seminary.

Some of Tom's strengths are his listening, writing and speaking skills. His professional experiences have taught him patience and persistence working through dilemmas and challenges in a deadline-driven environment.

Tom is excited about the opportunity to learn more about how the Board of Directors for the Conference functions and how he can contribute to fostering growth and vitality in its member churches.

We look forward to having Tom use his gifts serving on the Strategic Planning Committee of the Board.
