Handbell and Handchime Manufacturers, Service, Repair

Malmark, Inc.

Malmark, Inc. is the only company in the world dedicated solely to the manufacturing and distribution of Malmark handbells, Choirchime® Instruments and ringing accessories. Malmark is a leader in design and manufacturing innovations as we produce the largest range of handbells and handchimes in the world.

Schulmerich Bells, LLC

Innovators since 1935, Schulmerich has a rich legacy of bringing the joy of musical excellence in bells, to people the world over. Whether it's the beautiful sound of our handcrafted handbells, the resonant timbre of our MelodyChime® Instruments, or the innovative designs of the Bell Matrix™ System or Silver Melody Bell™ Instruments, you can count on us for support, quality, and groundbreaking ideas. With a wide range of uses from worship, to education, to performing arts in general, Schulmerich's versatile products offer the perfect blend of old-world craftsmanship and leading-edge technology which motivates and inspires, wherever people worship, work or play.

Whitechapel Bell Foundry Ltd.

Offering six and half octaves of handbells, fitted carrying cases and excellent quality of service, the Whitechapel Bell Foundry is the UK's oldest manufacturing company. Some of the world's most famous bells, including Big Ben, the original American Liberty Bell and bells for countless churches and cathedrals around the world have been made at the bell foundry in London's East End. For new handbells and the refurbishment of existing handbells to an as new condition, there is no better time to contact the Whitechapel Bell Foundry – the US dollar is currently at its most advantageous exchange rate with the pound for many years!

Jeffers Handbell Supply, Inc.

Founded in 1975, Jeffers Handbell Supply is the most comprehensive source of handbell-related products in the world. Focusing on serving handbell ringers, directors, and clinicians,

Jeffers offers handbells & handchimes, handbell equipment & mallets, handbell gloves, handbell maintenance & repair, handbell gifts, and a complete catalog of handbell music.

Heitz Handbells and Music, LLC

Heitz Handbells and Music LLC originated with Norm P. Heitz in 1980 and is now a partnership with Carol A. Scheel. We sell handbell music, Malmark products, handbell accessories, maintenance items, and gifts both in a store and online.

Handbell Services, Inc.

Handbell Services, Inc. is a primary resource for teaching materials, supplies, and music for the beginning ringer program. Service is our cornerstone! We offer a wide variety of handpicked music collections and single titles, equipment, maintenance supplies, gloves, and educational resources for handbell musicians. We also create and sell the largest selection of handbell and handchime related gift products available worldwide!

Third Bell on the Right

Third Bell on the Right is based in DeSoto, Kansas. We specialize in custom printing of t-shirts, handbell gloves, keychains, magnets, water bottles, wine carriers, bags, cinch sacks and just about anything printable in any quantity. We are one of the largest suppliers of singing handbell dowels, having shipped all over the USA, Canada and UK. We also carry handbell and handchime marking kits as well as vinyl window decals for your vehicle. You can find us at www.ThirdBellontheRight.com

Agape/Hope Publishing

Hope Publishing Company has been providing excellent hymnals, choral, handbell, instrumental and keyboard music for worship services and concerts since 1892. The Agape handbell catalog was started and has thrived under the editorial direction of David L. Weck.

AGEHR Publishing

AGEHR publishes a variety of music to meet the needs of our diverse membership, including: music from beginning to advanced levels; music for 2-8 octaves; hymn arrangements; original pieces; multi-cultural music; choral music; solo ensembles; and music education resources.

Choristers Guild

Choristers Guild is a nonprofit, membership organization and publisher of choral and handbell music. With its broad spectrum of handbell publications ranging from level 1 to level 5, Choristers Guild provides resources for beginning ringers as well as music for advanced handbell ensembles. Members receive sample packets of choral music and The Chorister, a bi-monthly music ministry journal.

From The Top Music

From the Top Music is committed to bringing all genres of handbell music to the handbell repertoire and our catalog is 'eclectic.' We welcome all composers – published and unpublished – and value our composers and customers, giving individual and personal attention to all.

GIA Publications, Inc.

As one of the most respected publishers of sacred music and music education materials in the country, GIA Publications, Inc., is committed to providing high-quality music resources with the most advanced research and pedagogy in the field today. GIA also continues to be an industry leader in providing environmentally friendly resources. We've become a certified "carbon-free" partner, and our unparalleled hymnals continue to be recognized as a great way to be green.

The Lorenz Corporation

The Lorenz Corporation is a full service print music publisher prided on bringing to the marketplace the finest in church choral, school choral, handbell, keyboard, instrumental and general music products. The company is also the exclusive distributor for the publications of The American Guild of English Handbell Ringers and Choristers Guild.

Bell Matters

Blanche Marie Lewis has five videos on You Tube concerning different bell ringing techniques.
